

WHAT IF YOU FLY?

KEYSTONE ART EXHIBIT - QUEST UNIVERSITY
CANADA - MULTI PURPOSE ROOM
APRIL 13TH & 14TH, 7- 9:30 PM

You are invited to join Quest student, Olivia Trim, in the completion of her Keystone project. Her art installation 'What if you fly?' will feature various pieces of artwork, created by her or in collaboration with other students. The pieces deal with themes about participation in outdoor sports. The materials primarily consist of upcycled gear, paint and other materials, most of which were donated by residents of Squamish. The show will include a silent auction of the art, in which all of the proceeds will go to the Canadian Adaptive Climbing Society. Questions? Email olivia.trim.22@gmail.com
