

HERE WE GO!

At other schools, you'd be taking 4-5 classes at once.
At Quest, you'll only take one course at a time.

You won't be labeled and stuck with a major.
At Quest, you're free to explore new fields, passions, and ideas.

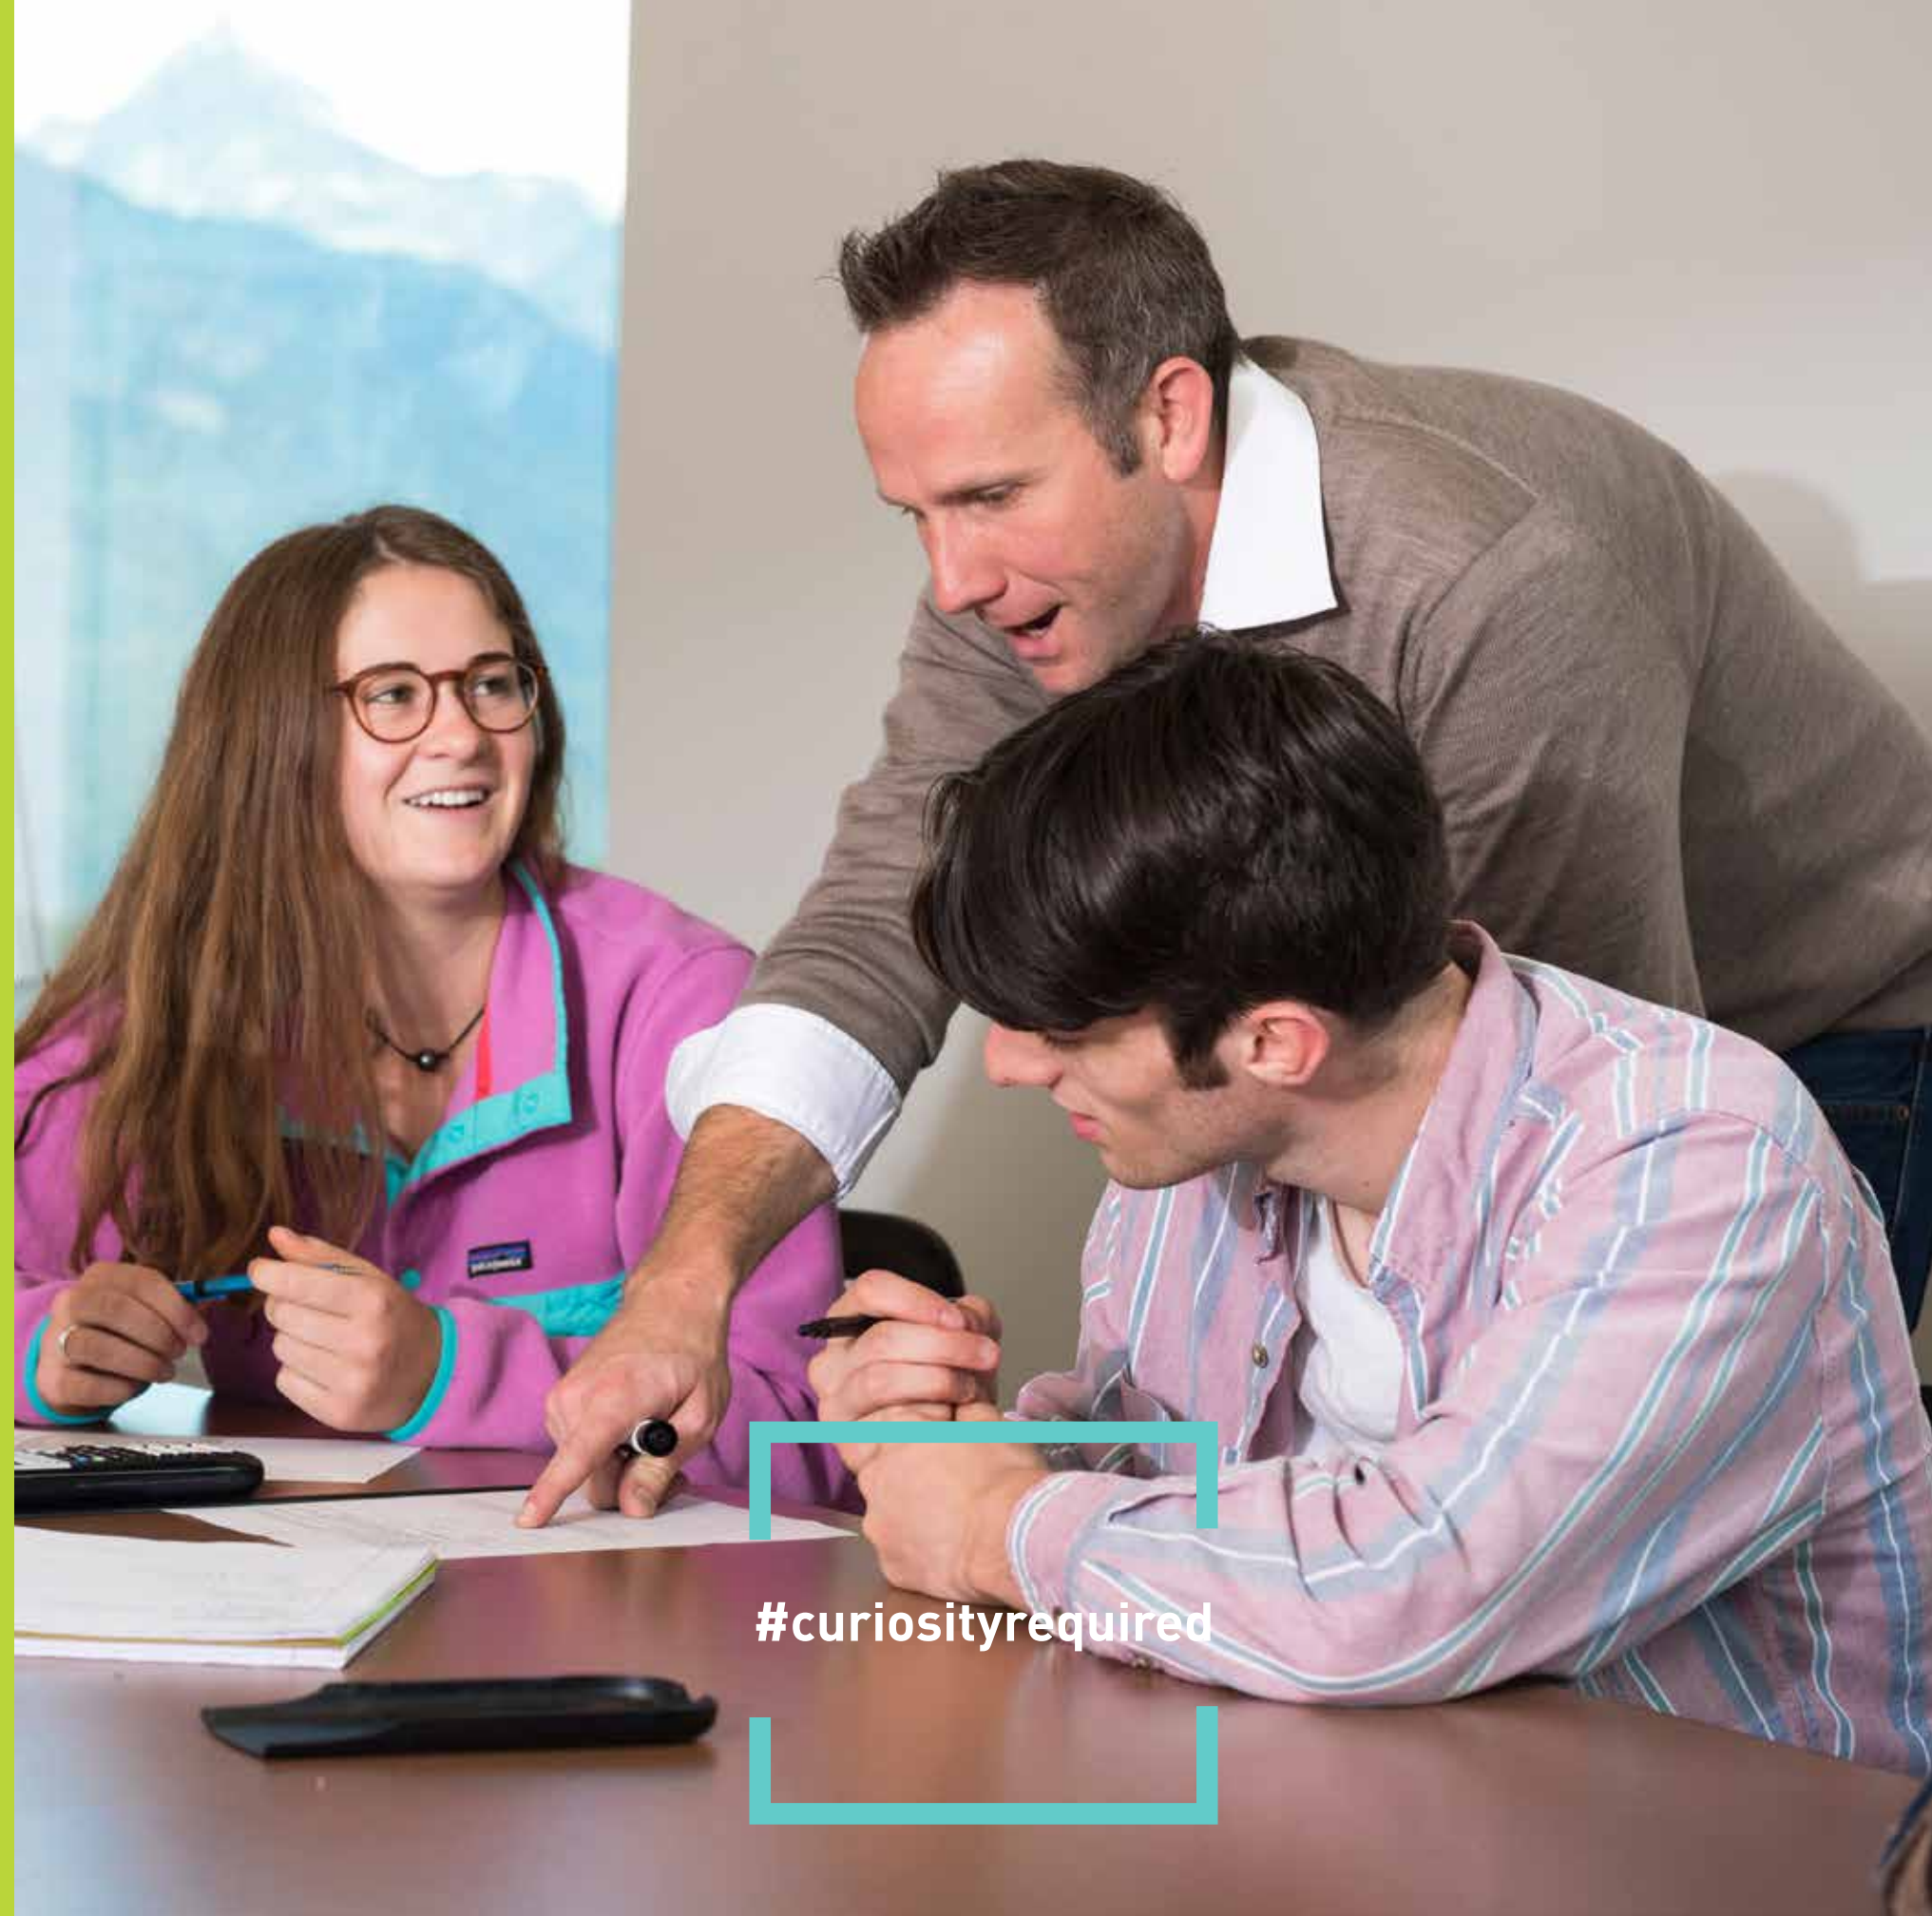

Enjoy the opportunity to forge your own academic path.
At Quest, you'll work closely with a mentor to find your fit.

Our students are bold, one-of-a-kind thinkers.
At Quest, no two academic paths have ever been the same.

Are you curious to know more?
At Quest, that's perfect.

We acknowledge that Quest University Canada sits on the traditional, ancestral, and unceded territory of the Skwxwú7mesh (Squamish) peoples. We are grateful to have the opportunity to work, learn, and live in this blessed territory.

Quest University Canada is a registered charity that relies on philanthropic support to deliver its mission.

#curiosityrequired

WHAT'S NEXT?

1 DEPOSIT

Your \$500 Enrolment Confirmation Deposit is due by May 1 and will secure your spot at Quest. Spaces are limited, so it's important to confirm enrolment as soon as you know Quest is where you want to be!

2 VISIT

Come visit your new home! Learn more about student life by attending one of our Admitted Student Weekends. You can also book a tour of campus, sample the All-You-Care-To-Eat meal plan in our cafeteria, and join a real class in action to get the authentic Quest experience.

3 CONNECT

Register for a Counsellor Chat through your SquareOne portal to ask questions about academics, financial aid, and all things Quest.

Email a Student Ambassador for the inside scoop on campus culture, Block Plan basics, and the lowdown on all the Squamish hotspots — and anything else you want to know!

Join the Admitted Student Facebook group to catch up with our Ambassadors and your future classmates.

“I loved the diversity of the Quest curriculum—how it brings together multiple areas of study to create the most fascinating courses, where you learn about the ways academic disciplines intersect in the real world.”

– Veronica Galvin '16

“While at Quest, I have gone from a science geek to a philosophy nerd to an education enthusiast.”

– Jesse Genereux '20

“I'm excited to work with such engaged students! I'm also thrilled to be part of such a diverse faculty who have such a wide range of expertise and bring so much energy.”

– Dr. Emma Davy
Physical Sciences Tutor
(Chemistry)
