

Education is more than just a journey. It's a Quest.

We are so excited that you are considering Quest University. It is our goal to help you discover whether or not this is the right school for you.

Quest seeks to reinvent the undergraduate liberal arts and sciences, using an innovative philosophy and novel curriculum. We believe in teaching skills that work in the real world. We believe in preparing students for any endeavour they choose—from graduate school to professional programs, and from traditional careers to independent paths. We offer an environment of intellectual rigour and personal enrichment, where students help design their own education and delve deep into topics they're passionate about.

Fall 2021 Application Deadlines

Early Action Deadline | December 1

Regular Application Deadline | February 15

After February 15, we continue to process applications on a rolling basis until the class is full.

Start almost anytime during the year

The Block Plan makes it possible to start at Quest almost anytime without having to wait for a new semester. We are currently using remote learning because of COVID-19, but we plan to open for on-campus classes once again in September. You can start at the beginning of any of our 3.5 week Blocks throughout the 2021-22 academic year. Check out our [Term Calendar](#) to see when each Block begins and contact [Admissions](#) for help getting started.

To start your application process, visit: www.questu.ca/admissions/how-to-apply/

Enrollment Steps

1: Complete your application

2: Log in to Quest's Application Form and upload your documents.

Required documents:

- **High school transcript:** An official copy of your most recent transcript or report card. International and Transfer students may be required to submit additional documents.
- **Long and short essay:** Quest's program is writing-intensive, and the application essays are our window into how you communicate your ideas with the written word. Submissions are evaluated on originality, structure and flow, and language and mechanics.
- **Bursary application form:** All applicants must either complete this form or opt-out of need-based aid.
- **Scholarship application form:** All applicants must either complete this form or opt-out of merit-based scholarships.
- **English language proficiency test scores** (if required — check [here](#) for language testing policies)

Optional documents:

- An original piece of work that demonstrates your individual interests and abilities, such as an artistic portfolio, video statement, or research project
- SAT/ACT test scores
- Reference letters from educators or community members
- Your professional resume or CV
- An additional writing piece (e.g. an assignment prepared for class)

Enrollment Steps Con't

3: Interview with an Admissions Counsellor if you are selected as a candidate

4: Admissions will decide and post your admission status on your Application Page. If you are in, congratulations! There's no place like Quest!

5: Deposit your enrollment fee of \$500 CDN. New International students are required to submit a \$5000 deposit. Please ensure you have your nine-digit student number ready. If you are unsure about your student number, contact your Admissions Counsellor or email Department of Admissions. Enrolment Confirmation payments are due May 1. Please note that this deposit is non-refundable.
